

# ROAD SURFACING AND PLANING CONTRACTORS

## Health and Safety Policy

It is the policy of Premier Road Surfacing Ltd to ensure so far as is reasonably practicable the health, safety and welfare of its employees and the health and safety of other persons who may be affected by the companies activities. The Company will take steps to ensure that its statutory duties are met at all times.

## Company Responsibilities

The Company will ensure that it:

- provides adequate control of the health and safety risks arising from our work activities
- consults with our employees on matters affecting their health and safety
- provides and maintains safe plant and equipment
- ensures safe handling and use of substances
- provides information, instruction and supervision for employees
- ensures all employees are competent to do their task and to give them adequate training
- prevents accidents and cases of work-related ill health
- maintains safe and healthy working conditions; and
- reviews and revises this policy as necessary at regular intervals

## Employees Responsibilities

Employees must ensure that they:

- co-operate with supervisors and managers on health and safety matters
- do not interfere with anything provided to safeguard their health and safety
- take reasonable care of their own health and safety; and
- report all health and safety concerns to an appropriate person
